The background of the entire image is a close-up, slightly blurred view of the American flag. The blue field with white stars is on the left, and the red and white stripes are on the right. The flag appears to be waving or draped.

"BY YOUR SIDE"
APRIL 6, 2001

SENIOR BREAKFAST

SEPTEMBER 29, 2001

Your life is now, in this undiscovered
moment, lift your head up above the
crowd, we could shake this world if you
would only show us how, your life is now.

~~John Mellencamp

The ultimate measure of a man is not where
he stands in moments of comfort, but
where he stands at times of challenge and
controversy.

~~Martin Luther King

Here's to the nights we felt alive,
here's to the tears you knew you'd
cry, here's to goodbye, tomorrow's
gonna come too soon.

~~Eve 6

Don't cry because it's
over, smile because it
happened.

~~Unknown

Say who you are, say what you
mean, question yourself are you
really what you dream?

~~Dispatch

I'll always think of you and smile, and
be happy for the times, I had you with
me, though we go our separate ways, I
won't forget the memories we made.

~~LeeAnn Rimes

The boys' varsity soccer team had a very successful season in 2001, qualifying for the state tournament for the fifth consecutive year. They finished the season with a 9-6-5 overall record, and placed second in a very tough Hockomock League, four points shy of first place. The team was seeded 13th in the South Sectional Tournament and won its first game against Diman Vocational in a shootout. The Bulldogs' season came to an end with a loss against Duxbury for the second straight year.

Tri-captains Matt Johnson, Dan Boreham, and John Shea led the team on the field, with Boreham earning All-Hockomock League status for the second year in a row. Junior Matt Aucoin and sophomore Vasi Anastasiades were also named Hockomock League All-Stars. With a strong core of underclassmen, the boys are looking forward to a productive 2002 season.

S OCCER

The girls' soccer team was very successful this season. A 13-8-1 record shows how hard the team played and their determination to improve. For the second consecutive year, the Lady Dawgs qualified for the state tournament. Tri-captains Lauren MacDonald, Melissa Bunt, and Chrisitne Haigh led the team in an unforgettable season. The highlight of the season came when the girls beat the number one seeded Holliston in the tournament to advance into the second round. Even though the team bowed out in the third round to a tough Walpole team, they never gave up.

Field HOCKEY

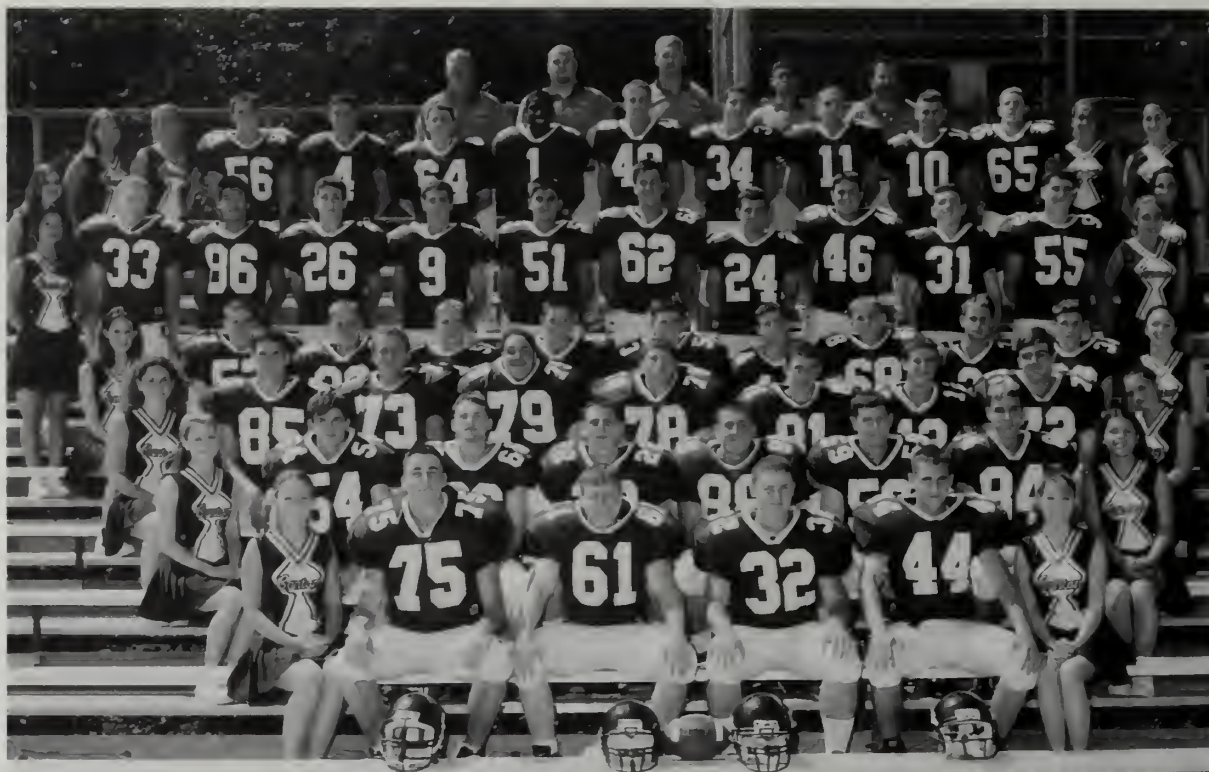

The field hockey team had an incredible season finishing with a record of 17-0-1. The undefeated Bulldogs were Hockomock League Champs for two consecutive seasons. Led by co-captains Kelly Robinson and Lauren McNeil, the team had the best record since 1988.

The offense was led by Junior, Patty McNeil, who lead the team in scoring, sophomore Samantha Murphy and freshman Meghan Wheeler tied for 2nd on the team for scoring. Junior, Caitlin Baril had an outstanding season as goalie only letting in 6 goals with 54 saves. The defense, was led by Kelly Robinson. Vickie Woods, Carolyn Mooney, and Erin Foley also were a big part of the team's strong defense. Midfielders Lauren McNeil and Elise Bognanno dominated their opponents with their speed and skill. Kelly Robinson, Lauren McNeil, Elise Bognanno, Patty McNeil, and Caitlin Baril were elected Hockomock League All Stars.

Canton was the #1 seed in the South Section when the state tournament started, unfortunately they lost to Martha's Vineyard in the first round, 1-0 in overtime. This disappointing loss should not diminish the accomplishments of this team. They were outstanding all season long!

Despite their record, the Pooldogs had a great season. It was a season of rebuild after having lost fifteen seniors to graduation and a coach to retirement. The team should have beat Stoughton, but due to a rule change regarding logos three relay teams were disqualified, giving Stoughton the points they needed to win. Despite the rough loss the Pooldogs went on to the Southeastern League Conference, where the girls finished an impressive fourth, beating Stoughton, Brockton, and Durfee. It was a great team effort and everyone swam their best. Co-captains Maureen Forde and Carly Kinch led the team. The Pooldogs look forward to next season where the team will continue to grow and improve.

This past season the girls won their first meet in two years to rival Foxborough. They lost four meets by a combined total of only four points. At the Hockomock Varsity Championships, Canton placed sixteenth. The team was led by junior Lauren Caggiano, freshman Rachel Venezia and sophomore Becky O'Brien. Other strong performances were made by Meghan Kearney, Jess Pezzone, Capt. Amanda Milano, Kaitlyn Farrell, Sarah Healey, Capt. Liz Newcomb, Sam Karwin, Laura Donnelly, Kiley Phalen, and Krissy Kerr. On a sad note, this was Coach Giblins last season of coaching. He has been here for three years, coaching all three seasons of track. We all will miss him, but wish him the best of luck.

Row 1: Adam Femino, Peter Demas, Matt Penny, Dave Rohr, Jay Febo, Bob McGettigan. Row 2: Capt. Conor Farrell, Brian Mitcheron, John Dever, Peter Harrison, Capt. Neil Gupta, Aaron Okun, Val Ilchenko, Coach Chris Elgar.

The boys' Cross Country team continues their forward progress under coach Chris Elgar's wing. This season the team went from a dismal 1-7 record last year to an impressive 3-6 record this year.

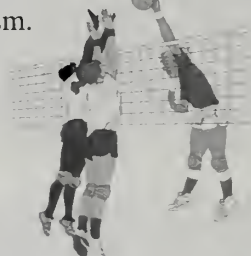

Seniors John Dever and Captains Conor Farrell and Neil Gupta led the way by finishing as number 1, 4, and 7 runners respectively. Other impressive runners were Aaron Okun, Brian Mitcheron, Bob McGettigan, Peter Harrison, and Val Ilchenko. The boys hope to continue their success next year as the captains, Okun, and McGettigan lead the way. Go Dogs!

V L L E Y BALL

The girls' volleyball team had a great first season. The girls worked hard throughout the season to pull off a 3-11 record in a very competitive league.

Led by Jill Marshalka and Erica Stoloff, the first season of Canton High volleyball was a success. The girls look forward to next year with much potential and enthusiasm.

The boys' golf team finished up a strong year, placing third in the league. The team was fourth overall, which was their best finish in 3 years. Next year they will be looking forward to four returning starters and another great season.

The traditional pre-Thanksgiving Powderpuff game pitting our senior Lady Bulldogs against Stoughton's senior girls once again came down to the wire before an enthusiastic, overflow crowd at Stoughton's Alumni Stadium.

Canton's feisty defense held the Black Knights to a mere 12 points the first half and did not allow a touchdown the entire second half. Canton's offense effectively moved the ball all day and finally scored their lone touchdown with time winding down.

The Canton girls played an outstanding game and had a great time despite losing 12-6. It was an exciting game and one that the girls will remember for a long time.

The 2001-2002 Bulldogs had a great season with a final record of 13-7-2. The team made the State Tournament early in the season, but bowed out in a second round loss to Duxbury. Senior leadership, hardworking juniors, trick sophomores, and a lone surprising freshman are the many ingredients for a well accomplished season. Contributing factors to the team's success have been the two goaltenders, who stepped up to keep the pucks out of the net and the most incredible fan base Canton has seen to date. All these factors have helped to lead the team through thick and thin. The Bulldogs are finding it hard to lose! This year the team was led by Captains Pat McCloud, Kevin Connors, Chris Regan, and Mike Christian.

HOCKEY

The girls' hockey team had yet another successful season, with a 16-2 regular season record. One of the many highlights of the season was a 2-1 victory over Boston Latin, the number two team in the state. Kelly Robinson, Sarah Wetherbee, Janelle Hardiman, and Sam Murphy were all nominated to the EMASS All-star team. Coaches Callow, Carter, and Cataliano have instilled a "never say quit" attitude that carried the team throughout the season.

The Lady Icedogs will graduate six seniors; these seniors were the pioneers of girls' hockey just four years ago when the team began.

The Lady Icedogs earned the number one seed in the division two state tournament. The girls beat Natick in the quarter finals and then went on to beat Lincoln-Sudbury 2-1, with a goal by Sarah Wetherbee with only four seconds remaining. Despite the loss to Dedham in the final round, the girls played an awesome game and had an outstanding season.

Wrestling

The 2002 Wrestling team came together with the leadership of team captains, James Carmichael, Sean MacGregor, and Mike Brown. Hardwork and dedication made this year the most successful wrestling team Canton High has seen to date. The team record was 16-4-1. Our success was also proven at the Norwell Tournament, our own Peckham Tournament, our second place in the Hockomock league, and seventh in the Division III State Tournament.

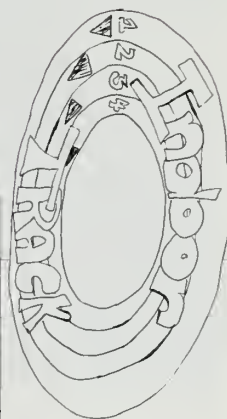

The senior captain James Carmichael led the team with an outstanding record of 41-4. He had many outstanding accomplishments including, first undefeated in dual meet season, Norwell champ, Peckham champ, Hockomock champ, Sectional champ, and a state finalist. James has also reached his goal of accumulating over 100 career wins. We are proud to have James elected Hockomock League M.V.P. by all the coaches in the league. Sean MacGregor wrestled his senior season with the intensity of a champion, which helped him qualify for this years state tournament. Dave Irving is easily the most dedicated wrestler on the team. He is an inspiration to all of his younger team mates. Khanh Pham had a great showing at states taking fourth place. Other seniors that stepped it up for the team were John Dever and Matt Sylvester. Junior captain Mike Brown had a terrific season, winning the Hockomock, Norwell and Peckham tournaments. He placed second in sectionals and fourth at states. Other juniors who stepped it up this season were Kevin Mathieson, Andy Carmichael, Brian Caffelle, Luis Rodriguez, Conor Sheehan and Josh Ryburn. Josh McKelligan tore through competition, winning Sectionals and placing third at states. Jeff Sullivan, JJ MacKenzie and John Burlingame also had an outstanding season. The girls' indoor track team had a very successful 2001-2002 season. This season had many new faces, including two new coaches. Even though we did not have many victories, we had many individuals excel at their events. Our new coaches Ms. Melissa Sweeney and Ms. Kate Coleman, built up our numbers and confidence. Great leadership was shown by captains Carolyn Mooney, Lauren Caggiano, and Stacia Hanlon. During the season many girls qualified for the State track meet, including three relay teams.

Despite being the smallest team in the Hockomock League, the boys' indoor track team showed that heart is anyway related to the size of the team. This squad had many improvements in performance over last year. Senior Captain Terry Teddington led the Bulldogs. Other senior leaders were Glenn Chamberlain, Brad Boulanger, and Pat Lane.

The future of the boys track program is expected to be bright because the majority of the team was underclassmen. The sophomores were "the Bob" McGettigan, Peter Harrison, John Pachico, Val Ilchenko, Brendan Lindquist, Mike O'Toole and Tim "windbreaker" Brooks. New rookies were Peter Demas, Peter Ferry, Jay Febo, and Nate Sharpe. Chris Elgar who is also the cross country and spring track coach coached this year's team.

After losing eight seniors, the gymnastics team came back ready for a tough season. The Hockmock League was powerhouse with four teams advancing to the South Sectional Tournament. The team's hard work paid off and the Bulldogs captured yet another Hockmock League Title. The team finished with a record of 11-1. The highlight of the season was when the team beat King Philip with a score of 136.5 to 134.25. This score broke the record number of points ever scored by a Canton High gymnastics team. The team was led by captain Michelle Chisholm, Maureen Forde, and Dyann Zenga. The team had the right keys to succeed with the combination of three Hockmock League All-stars, Kim Chin, Dyann Zenga, and Becca Aronson and the other squad members all stepping up to the challenge.

Gymnastics

The Boys' Basketball team had a disappointing season going 0-21. Although the team did not win a game, they always played tough and aggressive. The team was led by captains Kevin Shaughnessy, Matt Johnson, and Nathan Tuggle. Seniors Brian Mulvey and Carlos Reyes played important roles in their final season. The Bulldogs look to a promising season next year, with six underclassmen and a multitude of talent.

The Girls' Basketball team had one of their most successful years in a while. With a final record of 6-14 they tripled their amount of wins from last season. The team was led by captains Kristina Cogliano, Jenn Seich, and Lauren MacDonald. The team showed intensity and hard work throughout the season. Juniors Elise Bognanno, Vertalya Reddick, and all star Margret O'Brien will look to lead the team to an even more successful season next year. Sophomores Amanda Eames and Lauren Seich had a strong presence on the court and will be a huge force in the seasons ahead. The team was rounded off by freshman sensation Ale Kunciatitis whose scoring and rebounding was a warning to the Hockomock teams for the years to come.

Last year's season was not a winning one, but there were many high points. Capt. Jeff Homer went to the state championship for the 400 yd. dash. The seniors Dan Berger, Jeff Homer, Dan Bertelletti, Bobby Femino, Mike Karwin, Chris Pelligrini, and Jon Grey led the way for the underclassmen. This year the boys' team hopes to gain a win as co-captains, Conor Farrell and Terry Reddington take control.

The girls' varsity spring track and field team had a great 2001 season. Led by a strong group of sophomores, the girls managed to move forward a competitive front. Seven girls qualified for states including Kate McKenzie in shot put, Jonelle Walsh in javelin, Katie Ran in the mile and two mile, Lauren Caggiano in the 800, Alison Doherty in the 1000, and Elise Bognanno in the two mile. A relay team made up of Sarah Smith, Sarah Rushworth, Emily Minkewitz, and Alison Doherty also made it to states.

The girls look forward to a promising 2002 season under the new coaching staff and led by co-captains Sarah Healey and Lauren Neil. Experienced runners plus an upcoming crop of young talent should be the right combinations to make a strong team and a successful season.

Coming back from last years heart breaking loss in the second round of the State Tournament the Canton Varsity Girls Softball team is looking to avenge their loss. Hopes are high for the 2002 Softball season. With a strong starting line-up featuring six returning seniors, and a talented group of underclassmen, Coach Horack's Lady Dogs promise to challenge for the league title. Led by co-captains Lauren MacDonald and Danielle McNamara, and returning senior starters Kelly Robinson, Melissa Bunt, Sarah Wetherbee, and Janelle Hardiman. The team is confident that they will return to the State Tournament this year. With this team's talent, leadership, and determination, they can and will go far.

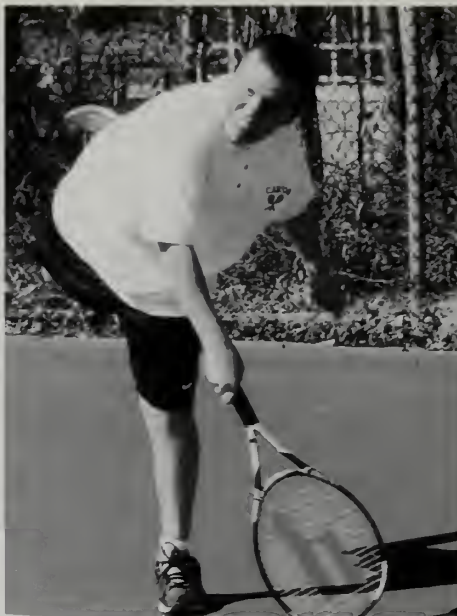

B A S E B A L L

With the loss of only four starters from last year's squad, the 2002 baseball team has a solid core of underclassmen returning for the upcoming season. The team will look to improve on its 4-16 record, and overcome the loss of tri-captains Chris Donnelly, Andy Pellegrini, and Greg Picozzi. The Bulldogs will have to rely on tri-captain Lee Leshefsky on the mound, and tri-captains Kevin Connors and Matt Johnson to control the middle infield, to face a very competitive Hockomock League schedule.

Row 1: Kevin Shaughnessy, Chris Smith, Chris Schleicher, Greg Picozzi, Jarrod Pasciucco.

As usual, these players did not disappoint their fans.

With strong singles players Marie Sokolovsky, co-captain Erica Ancrum, and Vanita Kontrakul returning for the 2002, the team's future looks promising. Even though there will be changes in the doubles lineup, Coach Joe Gaudet is confident the girls are capable of another fantastic season.

In the past, the Canton High School math team has prided itself on hard work and dedication. This year is no exception.

The team competes in several different leagues. These include the Massachusetts Mathematics League, the Greater Boston Mathematics League and the New England Mathematics League. They also competed for the title in the two championship meets, States and New Englands. At the Worcester Polytechnical Institute Competition, the team captured second place. On the national level, the team joined together with the best in Eastern Massachusetts to become second in the nation. Individually, the students competed in a state-wide math exam, the Olympiad. The senior students qualified for the second level of this exam. Qualifiers for the second level were ranked as the top 100 math students in the state.

In addition to countless hours of preparation for mathematics competitions, members also worked hard to support the team. Fundraising efforts included working at the concession stand during home football games and selling doughnuts and bagels before school in the cafeteria.

Here at the *Spectrum* like to think of ourselves as school journalists, commenting on and reporting about the goings-on here at Canton High. What we do not do, however, is confine our scope to the school. We have dealt with such topics as terrorism, war, stress, affirmative action, music, censorship, social security, anthrax, and stem cell research, all while connecting these topics to the students themselves. Our hope is that our articles have not only informed, but also sparked debate amongst the school community. We believe that from debate come ideas, and from ideas come knowledge, and we are all better for having known more.

All of this could not have been possible without the contribution of our advisor, Mr. Patrick Connor, and our dedicated core of writers, editors, photographers, and layout staff. The *Spectrum* as a whole wishes to extend its heartiest thanks to these exceptional individuals. We also wish to thank our many readers; our hats are tipped to you, for without you, we have no paper.

This year's Echo 2002 has been another great success. I want to thank the staff for all their hardwork and continuous efforts in making the book perfect. Also to the editors, your time and patience is greatly appreciated. It was a pleasure to work with you all.

A special thanks to Mrs. Healy, our advisor. Her commitment to the yearbook has been a great benefit to all the students. She has given us all a chance to remember our high school years and reflect on the past. Hopefully the memories will last forever.

Good Luck Everyone!

Much Success in the Future

Retirees

All students know Mrs. Heine as a history teacher who teaches a multitude of courses, such as World History, Economics, and Asian Studies. Mrs. Heine has been teaching for thirty-five years (thirty-three were here at CHS.) She always knew she wanted to teach high school history and she loves watching her students mature. Her fondest memories are the staff, students, and Coffee Clatch in the teachers' room.

Though she is retiring from CHS, she will still remain involved in education by working on the Social Studies frameworks.

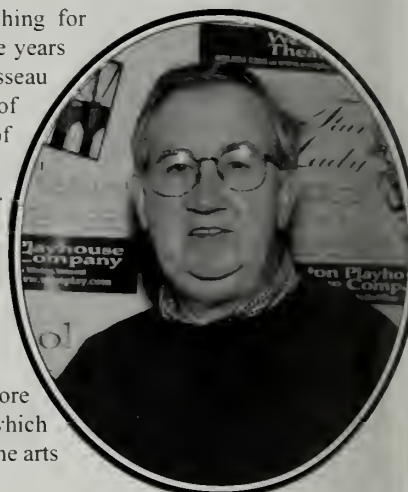

Inspired by his high school math and science teachers, Mr. Rice turned into the field of education. Mr. Rice has been at CHS for twenty-nine years. Everyone knows

Mr. Rice as an English teacher, but he also taught history for a year too. He loves teaching, because he likes to watch the students' faces when they finally grasp a concept. He finds his job rewarding when a former student will recognize him and say hello. Even though he is leaving us at CHS, Mr. Rice says he will continue to teach "my own formal education."

In 1985, Mrs. Coppola came to CHS from a school in Boston. She found the students to be very polite, friendly, and well dressed. Mrs. Coppola has taught fourth grade and information literacy at all levels. She comes from a family, who has an enormous respect for learning, so she always had an idea that she would be involved in teaching. She enjoyed teaching at the high school level, because she got to watch the kids mature over a four-year cycle. She also let out a little secret that her favorite classes were always the freshmen. She thanks Mr. Messinger and Mr. Ladow who built her a circulation desk when she first came to the school. In her retirement she plans to study foreign languages, garden, and of course to continue reading.

Mr. Rousseau has been teaching for thirty-seven years (thirty-three years were here at CHS.) Mr. Rousseau has taught reading to children of all ages. His favorite part of teaching is the students and the energy the job gives you. Mr. Rousseau has found working on the musicals to be very rewarding. He has kept a scrapbook for each year's musical. Though he is retiring he is planning to continue to teach for four more years in a part time setting, which will leave him more time for the arts and himself.

Mr. Kruse is leaving CHS after thirty-four years of gracing his students with his extensive knowledge of mathematics. After Mr. Kruse finished his student teaching he knew it was what he wanted to do, so he ended up here at Canton High and has been here ever since. His favorite part of teaching is the kids, but finds the hardship in teaching to be consistency in discipline. Mr.

Kruse has big plans for his retirement. As all his students know he plans to keep busy with horticulture, real estate, personal training, and tutoring. Next fall he plans to go to South America. We wish him a safe and fun trip and the best of luck.

Mr. Augenstern has been teaching a number of courses, such as photography, woodworking, metalworking, small engines, and many others for thirty years at CHS. He also spent five years teaching at Hingham and Holbrook. He likes teaching high school kids, because he likes working with machines, tools, and crafts along with the students. He also likes to watch his students succeed, especially when the student thought they could not achieve it. Though,

Mr. Augenstern is retiring his future is planned with many activities, such as commercial lobster fishing, boating, building a new house, and volunteer work.
